

COMMUNICATION resources at North Iowa

If you want something on the Homepage District Announcements:

These people can edit the District Announcements: Sheryl Davids, Lisa Mathahs, Kim Ostermann
If you need a form, document, or photo linked – contact Kim Ostermann

If you have a photo to share for the Scrolling Images on the homepage:

Let's showcase classroom and extra-curricular successes!

Send to Kim Ostermann – please choose one or two of your BEST photos. I know it's sometimes hard to choose, but it's even more difficult for Kim to choose the best photo to represent what you want showcased.

THE COMMONS TV – scrolling announcements:

Jamie Landheer and Kim Ostermann are currently working on retrieving the latest announcements from the HS, MS, and Elementary Announcements. We also try to pull some photos and keep things interesting during lunch. If there is something you definitely want highlighted, please let Kim or Jamie know. We may have a student assisting with this at some point as well.

North Iowa ALERTS – TEXT Alerts:

Sheryl Davids, Lisa Mathahs, Kim Ostermann, Keri Bergeson, Chad Hinders

Red Bar Alerts on the homepage:

Sheryl Davids, Lisa Mathahs, Kim Ostermann, Chad Hinders

North Iowa Facebook Page:

Gwen Mathahs, Jill Schutjer, Kelly Ruth Winter

DOORS – scheduled opening and closing times:

Sheryl Davids

ID Card System – Key Cards:

Cheri Mayland mostly for processing the cards for Staff and Community Members. Gwen Mathahs also needs to enter some information for staff cards

If you lose your card or if it is compromised in ANY way contact Cheri immediately. She can deactivate it temporarily until you find it so it won't allow building access to others who might "FIND" it.

CALENDAR OF EVENTS for Activities:

Lisa Mathahs and Chad Hinders

CHANNEL 2 – WCTA TV:

Sheryl had sent this information out previously, but I thought it was worth repeating.

We used to send items to Alison Bailey, but Alison recently left WCTA, and Katie Peterson is currently the Channel 2 backup. She requests that any future Channel 2 updates be sent to channel2@wctatel.net ?

That way if she is unavailable, someone else should still see the ad request.

This is a FREE resource – don't be afraid to use it to promote your events!!
